I, the purchaser named above, claim an exemption from payment of sales and use taxes (for the purchase of taxable items described below or on the attached order or invoice) from:

Seller: ____________________________________________

Street address: ___________________________________ City, State, ZIP code: ________________________________

Description of items to be purchased or on the attached order or invoice:
__________________________________________________________
__________________________________________________________
__________________________________________________________

Purchaser claims this exemption for the following reason:

The University of Alabama is a nonprofit organization under Section 501(c)(3) of the Internal Revenue Code.

I understand that I will be liable for payment of all state and local sales or use taxes which may become due for failure to comply with the provisions of the Tax Code and/or all applicable law.

I understand that it is a criminal offense to give an exemption certificate to the seller for taxable items that I know, at the time of purchase, will be used in a manner other than that expressed in this certificate, and depending on the amount of tax evaded, the offense may range from a Class C misdemeanor to a felony of the second degree.
